## Tournament Rules

1. This annual event is for Sturbridge Residents, their families and guests. Therefore, each team must have at least one Sturbridge resident.
2. Scramble format – each player tees off from white tees (men 70 and over and ladies from red tees), the team picks the best ball in play. Then all team members hit second shots from within a club's length of that location, this is all repeated until ball is holed out. Balls in sand traps or hazards cannot be moved.
3. Balls resting on the collar or fringe cannot be placed on putting surface.
4. Each team must use each player's drive at least once.
5. Each player must have a handicap or estimate based on his average score. The winners are determined by adding the handicap of each player on the team, dividing that by eight to determine the team handicap. Team handicap will be deducted from gross score to determine net score. Low net score wins. All ties are settled by lowest score from hole 18 backward.
